Dear Group Leader:

Hello and welcome to the Rockville Swim and Fitness Center! If this isn't your first summer you'll notice that we are again keeping our rates the same as last summer. We've had some staff changes over the past year and I'm excited for you all to meet our new Superintendent, Adam Goldstein, and new Swim Center Assistant, John Felts. As always, safety is the number one concern at the Swim Center. I know we're all looking for ways to cut spending and so I'll take this opportunity to remind you that adult/counselor to child ratios are required by each camp/group. 3-4 yr. olds are a ratio of **1:4** and 5 years+ are a ratio of **1:8**. If you fail to adhere to this requirement your group will be denied access to the pool. The rates for the 2014 summer season are as follows:

- Community Swim 10:30-11:45- \$3.00 per person (counselors must pay as well)
- Recreational Swim 12:00pm-9:00pm- \$6.00 per child (1 years-17 years) and \$7.00 for adults 18 and over (counselors must pay as well). **A discount rate for pre-payment is available.**

I would also like to take this time to remind you all of general expectations for camps while at the Swim Center.

- Camp groups will check in at the outdoor booth daily. Group leaders are responsible for providing an accurate count of swimmers and staff. After signing in, all groups will enter through the large swinging gate and receive a **mandatory orientation** the first day of each session.
- Counselors or participants will not be permitted into the indoor facility to use the hot tub or weight room.
- Counselors will either be in the water with their group or within eyesight of their group.
- No food will be eaten on deck; if your group wishes to have a snack/lunch you must do so on the grassy areas.
- If your camp uses wristbands to denote NON SWIMMERS we ask that you use orange colored wristbands. This wristband is useful to our staff and helps us determine who can use the slide, diving board and deep-water areas of the pool. **Swim tests are available upon request, but must be scheduled in advance.** You must supply your own orange wrist bands. Be sure to indicate on the agreement form which dates you are requesting for swim tests.
- Please make sure you are traveling with emergency contact information for all members of the group including adults and children! We've had a few incidents in the past in which we could not notify the emergency contact when a child was injured and needed medical care.

I am looking forward to a safe and fun 2014 summer season! Please feel free to contact me at either 240-314-8756 or via email [dbouwkamp@rockvillemd.gov](mailto:dbouwkamp@rockvillemd.gov) if you have any questions. Lastly, I am enclosing the camp agreement form which **must** be returned before your first day of attendance if you would like to be eligible for the Resident rate. Make sure you complete the table on the form's reverse side! Please mail it to me (355 Martins Lane Rockville MD 20850) or faxed to me at 240-314-8759. Please remember to include either credit card information, or submit a check to take advantage of the discount pre-payment program. Feel free to contact me with any questions or for additional information about discount pre-payment options. Thank you all and let's have a great summer!

Sincerely,

Deborah Bouwkamp, Aquatics Supervisor
